

It's simply good risk management.

A sensible choice in this day and age

We recommend all our clients consider joining our Tax Enquiry and Investigation Service. Every year, HMRC carries out enquiries into the tax affairs of an increasing number of individuals and businesses in the UK. Many people find an HMRC enquiry disruptive, intrusive, stressful and ultimately expensive.

Should you join our Tax Enquiry and Investigation Service, you will benefit from the peace of mind that comes from knowing you are protected. Not only does it pay our professional fees in the event of a check on your tax affairs, it enables us to provide expert advice and guidance to you every step of the way.

Are you at risk of an enquiry?

There does not need to be a reason for HMRC to check your tax affairs. Every taxpayer who submits a tax return is at risk of being targeted.

Even if you have done nothing wrong, many tax enquiries are conducted at random.

Saving you money and stress

Our service will pay our professional fees that result from most types of HMRC enquiries or full investigation (full details are listed on the Service Summary). We have taken out an insurance policy in our own name that is backed by Professional Fee Protection Limited (PfP®), one of the UK's leading providers. Our policy enables us to provide you with expert advice and peace of mind knowing we will work on your case to resolve the situation up to our service limits.

Our Tax Enquiry and Investigation Service can help to protect you if HMRC come calling
